

Did you know

Within a five mile radius of the Baldwin Hills there is only one playground for every 23,000 children

Join the movement to improve the quality of life in our community

The Empowerment Congress invites you to the Baldwin Hills Environmental Health and Planning Summit

Saturday, July 21

West Los Angeles College HLRC Building

9000 Overland Ave, 4th Floor, Culver City 90230

8:30am – Free registration & continental breakfast

9am–12pm – Program

Your participation will help protect public health, air, soil, and water quality, expand open space and improve access to amenities in the area. Please contribute your presence, voice and interest to ensure the community and parklands continue to thrive for generations to come.

Key topics:

West Adams-Baldwin Hills-Leimert Community Plan Update
Baldwin Hills Community Standards District and zoning study
Baldwin Hills Park Master Plan and more.

RSVP at 866 778-3755
